**ALDO LEOPOLD CHAPTER MISSION STATEMENT**  
e Aldo Leopold Chapter's mission is to conserve, protect, restore and enhance trout and salmonid sheries, watersheds, the groundwater that sustains them, and the doctrine of public trust that defends them, in Columbia, Dodge and Sauk Counties. We do this through education, cooperation, rehabilitation and advocacy using an extensive and dedicated volunteer network.

SWTU member Pat Hasburgh contacted us recently, letting us know he picked up a large

Contact Pat Hasburgh at [patrick.hasburgh@gmail.com](mailto:patrick.hasburgh@gmail.com) with a description and the collection will be returned. If not claimed within 3 months, flies will be donated to SWTU kid's/women's/vet's programs.**
